### COVID-19/Mask Policy

Participants are required to wear a mask or cloth face covering, regardless of vaccination status. We will have disposable masks on hand if you don't have one. This could be a great time to do a Deadpool or Spider-Man cosplay!

### Purchasing Tickets

We encourage everyone to buy tickets in advance. We'll be selling tickets at the con, but it's quicker to buy in advance, and there's no difference between buying them on our website or buying them at the venue.

### Prop Weapons Peace Bonding and Cosplay Policies

If your costume has a prop weapon, you'll need to have it checked and peace bonded. We will have a table set up to do this. You won't be allowed into the programming rooms or exhibit halls if your weapons aren't peace bonded.

Any weapon that could seriously hurt somebody is not allowed at CFCC. Specifically, but not limited to:

- Functional firearms – that includes paintball, airsoft, bb guns, cap guns, any gun that shoots a real projectile or causes a real explosion.

- Realistic firearms – any gun that could be confused for a real gun. If it looks like a real gun, it is not allowed. Realistic prop guns with brightly-colored caps are not allowed.
- Prop weapons made of a hard material such as metal, wood, or glass
- Functional projectile weapons – any weapon (crossbow, slingshot, etc) that discharges a projectile
- Metal-bladed weapons
- Whips
- Explosives
- Blunt weapons like bats, clubs, or hockey sticks
- Loud props such as whistles, horns, etc.

Prop weapons are allowed, as long as they meet the following criteria; That they are composed of cardboard, foam, or something light. Prop firearms are allowed only if they cannot be mistaken for real weapons. Prop bows will be allowed providing all arrows have soft tips and will not be shot. Prop weapons will be allowed at the discretion of staff and uniformed security personnel. Safety is paramount, we will always err on the side of caution. There will be no place to store prohibited weapons on-site. If you have a weapon that is prohibited, you will be escorted from the building and not allowed back in with the weapon.

Hateful symbols aren't welcome at Central Florida Comic Con. Historical costumes can be great, but reminders of unspeakable atrocities are not appropriate, ever. This includes any sort of "ironic" or satirical costumes that re-appropriate Nazi paraphernalia or gear.

Gender-based harassment is unacceptable at CFCC.
